Happy Friday, FANGORIA fiends! Why not celebrate this weekend with some disco and exorcisms? The groovy swingers over at Wild Eye Releasing have sent us a stack of special-edition DVDs of Richard Griffin’s THE DISCO EXORCIST (streeting June 19) for us to send out to Fango fans.

Synopsis: “From the makers of the cult hit NUN OF THAT comes this blood, boob and bellbottom-soaked tribute to ’70s exploitation sleaze. Rex Romanski is a 1970s disco swinger who loves and leaves the wrong woman—the wicked black magic priestess Rita Maria. And now it’s up to Rex to undo the scorned Rita’s rampage of revenge, murder and destruction before she claims more lives, and possesses the soul of the woman he loves.”
