• Xenon Pictures provided Fango with the cover art and special features for its DVD of THE OUTBACK (pictured). The Australian shocker, originally titled PREY and starring Jesse Johnson (son of Don) and singer/actress Natalie Bassingthwaighte, streets July 13.

The saga of three couples who venture into the titular region and come under attack by supernatural forces commanded by an evil shaman will be accompanied by:

• “The Making of THE OUTBACK” featurette

• Photo gallery

• Trailer

Retail price is $16.98. You can check out the OUTBACK trailer here and look for further coverage at this site closer to the street date, and in Fango #295, on sale next month.
