Lucio Fulci's gore classic ZOMBIE (a.k.a. ZOMBI 2) has stalked through a number of past video editions, but the definitive presentation appears to be on the way as it's coming out in two-disc Ultimate Editions on DVD and Blu-ray from Blue Underground . The complete specs just came through along with the cover art, so read on!

The new ZOMBIE sets street October 25, presenting the movie in 2K high-definition 2.35:1 transfers from the original uncut camera negative (1080p on the Blu-ray), supervised by cinematographer Sergio Salvati. Both editions will include Dolby Digital 5.1 Surround EX and original mono soundtracks, plus DTS-ES 6.1 audio on the DVD and DTS-HD 7.1 on the Blu-ray. And there will be lots of special features to chew on, with hours of brand new supplements:

Disc One:

• Audio commentary by star Ian McCulloch and *Diabolik* magazine editor Jason J. Slater

• Guillermo del Toro introduction

• Theatrical trailers

• TV spots

• Radio spots

• Poster and still gallery

Disc Two:

• "Zombie Wasteland": Interviews with stars McCulloch, Richard Johnson and Al Cliver and actor/stuntman Ottaviano Dell'Acqua

• "Flesh Eaters on Film": Interview with co-producer Fabrizio De Angelis

• "Deadtime Stories": Interviews with co-writers Elisa Briganti and (uncredited) Dardano Sacchetti

• "World of the Dead": Interviews with cinematographer Salvati and production/costume designer Walter Patriarca

• "Zombi Italiano": Interviews with special makeup FX artists Giannetto De Rossi and Maurizio Trani and special FX artist Gino De Rossi

• "Notes on a Headstone": Interview with composer Fabio Frizzi

• "All in the Family": Interview with Antonella Fulci

• "Zombie Lover": del Toro talks about one of his favorite films

Retail prices are $29.98 for the DVD set, $39.98 for the Blu-ray. See a new trailer below the art!
