FANGORIA wants to send 10 lucky readers and their damn dirty friends to see the Toronto premiere of 20th Century Fox's RISE OF THE PLANET OF THE APES, the hairy and hotly anticipated re-boot of the beloved PLANET OF THE APES series!

RISE OF THE PLANET OF THE APES is an origin story set in present day San Francisco. A scientist's tampering with the laws of nature take him to the brink of a medical revolution, but also leads to the development of intelligence in apes and the onset of a war for supremacy. The Oscar-winning visual effects team that brought to life the worlds of AVATAR and LORD OF THE RINGS is breaking new ground, creating a CGI ape that delivers a dramatic performance of unprecedented emotion and intelligence, and epic battles on which rest the upended destinies of man and primate.

RISE OF THE PLANET OF THE APES will be screened on Thursday, August 4th, 2011 at 9:30pm at Toronto's Cineplex Scotiabank Theatre. In order to win, be one of the first 10 people to email chris@fangoria.com with the words "IT'S A MADHOUSE! A MADHOUSE!" in the subject line along with your full mailing address.
