Columbia Pictures and FANGORIA want to give you the opportunity to party with Nicolas Cage to celebrate the release of GHOST RIDER SPIRIT OF VENGEANCE!

We have space for some lucky readers to join us on the evening of Friday, February 10th at a secret location in New York City to sip spooky cocktails, dance to terror tunes and raise hellfire with the inimitable Johnny Blaze himself, Nicolas Cage. Also hanging out will be GHOST RIDER: SPIRIT OF VENGEANCE select cast and crew and FANGORIA staffers at a rockin' party that's guaranteed to set your skull on fire…

In order to get on the guest list, email chris@fangoria.com and answer the following question: Cage talks of a style of "operatic" acting he explores as Johnny Blaze in GHOST RIDER SPIRIT OF VENGEANCE. What does he call that method?

Note that in order to gain entry, winners must obey the Ghost Rider enforced dress code of black leather, metal, steampunk, goth and general badass rock and roll chic.

Send your request TODAY and get ready to snap your flaming chains with the one and only Nicolas Cage!

And make sure to pick up FANGORIA #310 to read our exclusive interview with Cage about horror films, comic books, rock and roll and of course, GHOST RIDER SPIRIT OF VENGEANCE opening everywhere February 17th.
