Festival season is upon us and more news is coming in! Below, find Film4 FrightFest's absolutely stellar lineup!

Film4 FrightFest, London's long weekend of terror, whose lineup and locale pains me with jealousy every year has unveiled their 2012 rundown and it's a slew of globe-spanning genre. Indies (AMERICAN MARY, CHAINED, STITCHES), studio pictures (THE POSSESSION, SINISTER), remakes (MANIAC), sequels (OUTPOST II, [REC] 3, THE THOMPSONS), restorations (NIGHTBREED, THE DEVIL RIDES OUT), Asian scares (DEAD SUSHI), Eurohorror (TULPA, HIDDEN IN THE WOODS) and much more are all represented this August 23-27 in Leicester Square.

Here's the main screen's schedule. For much more, including the Discovery and Re-Discovery screens and ticket info, head to the official FrightFest site .
