Six new clips have arrived from Chris Butler and Sam Fell's stop motion, children's terror tale.

Fango loved PARANORMAN , the story of a small town under siege by zombies, and it's only help: the misunderstood local boy Norman (voiced by Kodi Smit-McPhee), who is able to speak with the dead. In addition to the zombies, he'll have to take on ghosts, witches and, worst, of all, grown-ups, to save his town from a centuries-old curse. But this young ghoul whisperer may find his paranormal activities pushed to their otherworldly limits.
