DEAD HOOKER IN A TRUNK is the debut feature from identical twin filmmakers Jen and Sylvia Soska and their Twisted Twin Productions .

Four friends set out on an everyday errand and end up in a fight for their lives when they discover the body of a dead hooker left in their trunk. Led by sexy, impulsive Badass, her distant Geek twin sister, their bible thumping, Jesus loving Goody Two Shoes friend and a chaotic, rock star Junkie pal, the group has to put aside their differences to dispose of the body before they're next. Thrown into their own personal purgatory, they face off against persistent police, a sleazy motel manager, chainsaw wielding triads and a brutal serial killer. All the while they are followed by a mysterious Cowboy Pimp who wants to claim the corpse for his own. Will they uncover the truth behind the body and be able to stand up to their demons? Buckle up and get ready for the ride of your life filled with gun fights, extreme violence, blood, guts, gore and goats.
