Like the prehistoric man-eating fish in the movie, the trailer for PIRANHA 3-D has resurfaced—and this time it's a much cleaner and clearer peek at the upcoming film.

YouTube has the preview for Alexandre Aja's remake of Joe Dante's film. Elisabeth Shue, Adam Scott, Jerry O'Connell, Ving Rhames, Jessica Szohr, Steven R. McQueen, Dina Meyer, Christopher Lloyd, Richard Dreyfuss and Eli Roth star in the Dimension Films release. PIRANHA 3-D comes out on August 27.
