Ever find yourself in a village tavern, scoffing on wing night because you know what genre actress made her debut in HOME SWEET HOME, but not some dude's batting average? Los Angeles, we're coming for you!

FANGORIA's Bekah McKendry and Shock Till You Drop's Ryan Turek are teaming with the Jump Cut Cafe (13203 Ventura Blvd) in Studio City for Dead Right Horror Trivia Night!

Getting underway January 10 at 7:30 p.m., the game will operate like most as the two Horror Hosts pit team against team (maximum of six, minimum of two) and no one's leaving until horror experts are crowned.

The beers will be sudsy, the questions will be nerdy. Come out!
