First look at "SHARK NIGHT 3D"

The first image from David R. Ellis' SHARK NIGHT 3D has hit and hey, that shark looks pretty awesome...

Starring Sara Paxton (THE INNKEEPERS, LAST HOUSE ON THE LEFT) and HATCHET's Joel David Moore, SHARK NIGHT sees vacationing friends besieged by the aquatic beasts. Hopefully Ellis recalls the splattery fun energy of FINAL DESTINATION 2 in the film.

SHARK NIGHT 3D hits September 2.
