On October 2, 2011, the late William Castle will pull off one more act of showmanship: “releasing” his first book, FROM THE GRAVE: THE PRAYER. And in celebration of that event, FANGORIA is teaming up with the Castle family and giving our readers the chance to take a page out of THE TINGLER’s wild ad campaign and “Scream for Your Life!” Three lucky winners will receive a signed copy of the book, plus a classic piece of vintage memorabilia from the Castle vaults! Here’s our second entry from Susan Berin!

If you want to submit your own scream, simply pick up your iPhones, webcams or any other video recording device and film yourself doing your best Hollywood horror-style scream—the louder and more dramatic the better—and send an MPEG to [chris@fangoria.com](mailto:chris@fangoria.com). We’ll send the video straight to the gloriously undead William Castle and his charming (although still rather bloodthirsty) daughter, Terry Castle, who will watch ’em and judge ’em. We’ll then start posting the best of them online at Fangoria.com.

Closer to the release of THE PRAYER, the Castles will pick their three favorite screams and the winners will receive, as noted earlier, a signed copy of the book as well as a classic piece of vintage memorabilia from the Castle vaults. So polish your pipes, stick your mug in front of some sort of lens and give William Castle your best full-throttle scream! And remember: “A scream at the right time might save your life!”

And win you some cool junk!
