Fledgling horror and thriller soundtrack label 2M1 Records is offering FANGORIA readers an exclusive all-access digital pass to download its entire catalogue of killer film scores! Read on to find out how...

From Richard Ragsdale's chilling and evocative Gothic score for Stuart Gordon's MASTERS OF HORROR episode THE BLACK CAT to Andy Garfield's tense cues for Adam Green's FROZEN to Glenn Paxton's nightmarish music for the classic TV film DARK NIGHT OF THE SCARECROW, 2M1 has some serious titles in its roster. To win the key to unlock all of these great horror compositions, simply e-mail chris@fangoria.com with the subject line "SOUND SHOCK." Three winners will be chosen randomly and given a code to open the digital store. For more on 2M1, visit its official website.
