FANGORIA

This afternoon, a beautiful Damien 6-FR black guitar arrived at the Hollywood FANGORIA office from Schecter Guitars. I'm currently defending the ax from six staff writers who want to play with it, and I gotta get it outta here quick. So, while wielding a knife at anyone who wants to just "ya know, play a little Slayer while screening movies," I decided to give the guitar away to one lucky subscriber. And just because it's been an awesome day and I'm feeling super-generous, I'm sweetening the pot by giving new subscribers two free issues!

So, how do you partake in all these sweet offers? For the next two weeks, anyone to subscribes to FANGORIA and places the line "I want to win a guitar!" in the "Special Instructions" portion of the payment form will not only get two free issues, they will also be automatically entered to win the guitar. One winner will be selected at random on January 25, when the contest officially ends.

What are you waiting for? Two free issues of America's fave horror magazine and a chance to win a hot guitar are just a few clicks away. Hurry, before the writers decide to start playing a li'l Skynyrd!
