CHERNOBYL DIARIES, the chilling new film from writer/producer Oren Peli, opens today (see our interview with Peli here and here), and FANGORIA and Warner Bros. Canada have 50 run-of-engagement double passes to give away.

The first 50 people to email chris@fangoria.com with the subject line "CHERNOBYL" will get themselves a pass, good for you and a guest to see CHERNOBYL DIARIES at any participating Cineplex theater across Canada. Good luck!
