As the skuzzy brutal biker exploitation tale DEAR GOD NO! rip its way onto DVD this week, director James Bickert is prepping their big screen return and once again enlisted one of modern poster art's giants to help prepare the world. Head below for the exclusive premiere of Tom Hodge's, aka The Dude Designs (THE INNKEEPERS, HOBO WITH A SHOTGUN), NSFW advance poster for FRANKENSTEIN CREATED BIKERS, and all the details on how you can let The Impalers into your house today.

While FRANKENSTEIN CREATED BIKERS is currently in preproduction, you can get your fill of blood, boobs and bikes with DEAR GOD NO!, the super 16mm throwback that follows "outlaw motorcycle gang The Impalers through a murder spree that ends in a home invasion gone terribly wrong when they attack two graduate students, a disgraced Anthropologist and his teenage daughter. A demonic creature in the woods, a deadly secret in the basement, rivers of blood and abundant nudity add to the surprises that are sure to thrill genre fans."
