First, [we got a poster](#) . And now, a pseudo-look at Leatherface and his chainsaw.

[Shock Till You Drop](#) premiered the first still from the upcoming new installment in the TEXAS CHAIN SAW MASSACRE franchise. In continuity with Tobe Hooper's 1974 original, the John Luessenhop-directed TEXAS CHAINSAW 3D finds a young woman discovering an inheritance and a family she never knew she never wanted.

Here's the full deal:

*Lionsgate's TEXAS CHAINSAW 3D continues the legendary story of the homicidal Sawyer family, picking up where Tobe Hooper's 1974 horror classic left off in Newt, Texas, where for decades people went missing without a trace. The townspeople long suspected the Sawyer family, owners of a local barbeque pit, were somehow responsible. Their suspicions were finally confirmed one hot summer day when a young woman escaped the Sawyer house following the brutal murders of her four friends. Word around the small town quickly spread, and a vigilante mob of enraged locals surrounded the Sawyer stronghold, burning it to the ground and killing every last member of the family – or so they thought.*

*Decades later and hundreds of miles away from the original massacre, a young woman named Heather learns that she has inherited a Texas estate from a grandmother she never knew she had. After embarking on a road trip with friends to uncover her roots, she finds she is the sole owner of a lavish, isolated Victorian mansion. But her newfound wealth comes at a price as she stumbles upon a horror that awaits her in the mansion's dank cellars.*

TEXAS CHAINSAW 3D is out January 4th and stars Alexandra Daddario, LOST's Tania Raymonde, Trey Songz ( [Mr. Steal Yo Gurl](#) ), and returning series stars Bill Moseley, Marilyn Burns, Gunnar Hansen and John Dugan.
